KOMPAGNON – The Classic Notebook

First-class features in the best quality

BRUNNEN has developed the Kompagnon notebook collection with over 140 years of experience as a notebook specialist.

Many useful features provide users with outstanding comfort and practical contents that simplify its daily use and utilisation. These include the pagination – i.e. page numbering – making it easier to find notes, detachable

perforated sheets, a practical storage pocket for receipts, tickets or other sheets, the printed scales for quick measuring – when no classic ruler is to hand – or the two ribbon bookmarks, with which currently used or important pages can be found quickly.
