SYNTHETICS PLUS

Makes Painting twice as much Fun!

The *Plus* for
SUCCESSFUL
PAINTING

Synthetics *Plus*

The advantages of synthetic hair:

- high paint absorption
- even paint application
- very good shape stability
- no hair loss
- strong and durable

Whether in art class or at home – painting with these brushes makes twice as much fun!

And that's why they come in two versions: a round brush made from soft synthetic hair, particularly suitable for liquid paints such as watercolour and tempera, and a flat brush made from more rigid synthetic bristles, for applying even pasty acrylic paints with ease. The special hair of these brushes has a very good shape stability, has a high paint absorption capacity and ensures even application. In addition, thanks to its ergonomic shape, the brush fits comfortably in all hands and won't roll when you put down.

Children's Aprons – Keep them clean

Children's aprons - companions in many creative adventures

Whether painting, crafting, baking or cooking - the happily coloured children's aprons make creative activities even more fun and reliably protect clothing from stains thanks to their water-repellent fabric. Some models feature quick-opening buckles, others hook and loop fasteners.

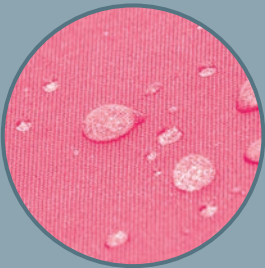

In addition, putting them on and taking them off is a cinch, too. To make sure that aprons are not mixed up, name tags are attached at the back for labelling.

KOMPAGNON – A Classic among Notebooks

First-class Features in Top Quality

With over 140 years of experience as a notebook specialist, BRUNNEN has developed its Kompagnon Notebook Collection.

Many useful features provide users with great writing comfort and practical contents that make it easy to use and manage on a day-to-day basis. These include the pagination – i.e. the numbered pages – which make it easier

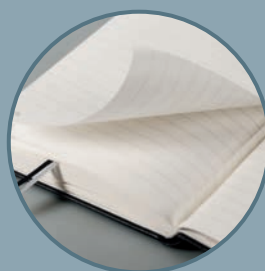

to find entries, perforated tear-off sheets, the practical storage pocket for receipts, tickets or other papers, the ruler printing for quick measuring – when no classic ruler is to hand – or the two ribbon bookmarks, which can be used to quickly find currently used or important pages.

EXCLUSIVE PRODUCT DESIGN

Ganz besondere Produkterlebnisse schaffen – zielgruppenorientiert, individuell und originell. Das ist der Anspruch des Kreativteams von Baier & Schneider. Ob exklusive Designs für selbst entwickelte 3D-Figuren für die BRUNNEN Fun-Serie oder Entwürfe für Bastelpapiere der Kreativmarken HEYDA und KNORR prandell. Tag für Tag sind 10 kreative Köpfe aus den Bereichen Grafik, Produktmanagement und Spielzeugdesign im Einsatz, um an neuen Ideen zu basteln, zu feilen und sie zu marktreifen Artikeln zu entwickeln.

Dabei sind Produktvorschläge aus den eigenen Reihen genauso willkommen wie Inspiration von außen. Auf der Suche nach aktuellen Farb-, Motiv- oder Materialtrends scannen unsere Mitarbeitenden Fachmagazine und Special-Interest-Zeitschriften, besuchen nationale sowie internationale Messen und sind bei Storechecks dabei. Das Ziel: die Wünsche der Kunden erfahren und umsetzen. Demnach bildet unsere Kreativwerkstatt das Fundament für den Aufbau einzigartiger Sortimente, die jedes Jahr aufs Neue begeistern. Überzeugen Sie sich selbst von den exklusiven Kreationen – made by Baier & Schneider.

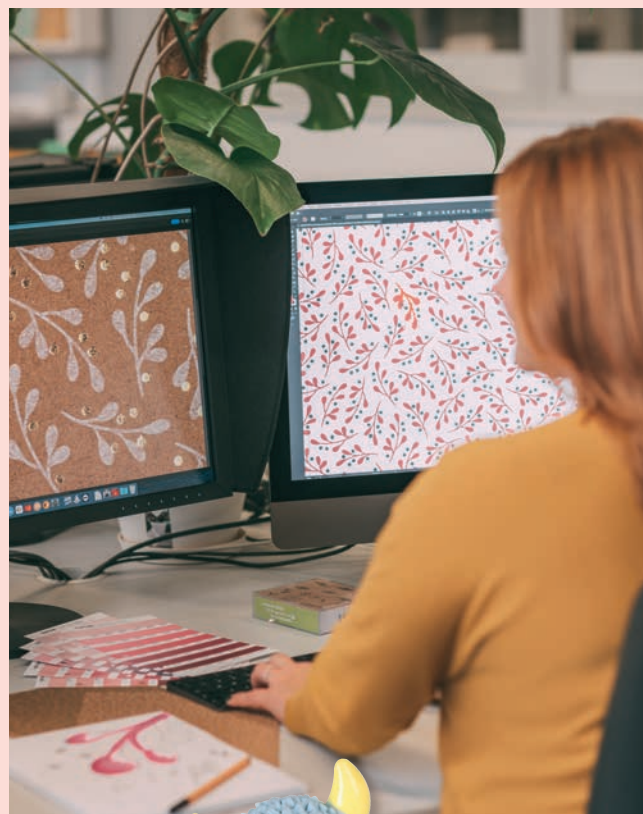

Genuinely unique items from our creative workshop – exclusive design made by Baier & Schneider

Create very special product experiences – target group-oriented, individual, and original – these are the goals of the Baier & Schneider creative team. Whether exclusive designs for 3D figures developed in-house for the BRUNNEN Fun series, or designs for crafting paper for the creative brands HEYDA and KNORR prandell. Day after day, 10 creative minds, all specialists in their areas, from graphics to product management or toy design, are working on new ideas, fine-tuning them, and developing them until they are ready for the market. Ideas from within the company are just as welcome as inspiration from outside. In search of the latest colours, motifs or material trends, our employees browse through trade and industry magazines, visit national and international trade fairs, and participate in store checks. Their goal: find out what customers wish and realize it. That is, our creative workshop is the foundation on which we build our unique product ranges that inspire our customers anew every year. Convince yourself of our exclusive creations – made by Baier & Schneider.

Véritables pièces uniques issues de notre atelier créatif – design exclusif made by Baier & Schneider

Créer des expériences produits très particulières – orientées vers des cibles, individuelles et originales. Telle est l'ambition de l'équipe créative de Baier & Schneider. Qu'il s'agisse de designs exclusifs destinés aux de figurines 3D élaborées en interne pour la série BRUNNEN Fun ou de modèles de papiers pour les marques HEYDA et KNORR prandell, dédiées aux loisirs créatifs. Jour après jour, dix esprits créatifs issus des domaines du graphisme, de la gestion de produits et du design de jouets sont à pied d'œuvre pour concevoir et peaufiner de nouvelles idées et les transformer en articles prêts à être commercialisés. Les propositions de produits issues de nos propres rangs sont tout aussi bienvenues que les inspirations venues de l'extérieur. À la recherche des tendances actuelles en matière de couleurs, de motifs ou de matériaux, nos collaborateurs passent en revue les magazines spécialisés comme les parutions consacrées à des intérêts particuliers, visitent des salons allemands et internationaux et sont présents lors de contrôles de magasins. Leur objectif : connaître les souhaits de la clientèle et les réaliser. Notre atelier créatif est donc à l'origine même de la réalisation de ces assortiments uniques qui suscitent chaque année un enthousiasme renouvelé. Laissez-vous convaincre par ces créations exclusives – made by Baier & Schneider.
